The screenshot displays the IBM Cognos Analytics with Watson home page. At the top, there's a navigation bar with the IBM Cognos Analytics with Watson logo and a search bar. A blue banner at the top left contains a maintenance notice: "Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events". The main content area features a large welcome message: "Hello. Welcome to Cognos Analytics with Watson. You can get started right away by taking a look at our introduction video, product tour and Getting Started tab." Below this message are two buttons: "Watch video" and "Take a product tour". To the right of the welcome message is a user profile menu for "Amutha P (6d85f97e07ac)" with options like "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". Below the main content area is a "Quick launch" section with four tiles: "Upload data" (Upload or drag and drop spreadsheets, csv files, and other data sources), "Prepare data" (Use data modules to clean and connect data from multiple resources), "Exploration" (Quickly find unbiased answers by identifying trends in your data with data exploration), and "Present data" (Create sophisticated, multi-page, multi-query dashboards, reports, or stories).
